Hawk's Autumn 2 Overview:

Class Daily Read: October, October – Katya Balen

Big Events: Sealed Knot visit, Bletchley Park, Pantomime

English

Pupils will write a short story based upon Letters from the Lighthouse by Emma Carroll with a particular focus on cohesion between paragraphs. They will end the term by writing a persuasive letter based on the same text.

Maths

This term pupils will build on their learning of fractions. They will order and compare fractions; add, subtract, multiply and divide fractions as well as convert fractions to mixed numbers.

History

Pupils will continue to learn about Warfare through time. This term the focus will be on conflict from the 17th Century onwards. Pupils will again look at significant local events before focusing on World War 1 and World War 2.

Science

Pupils will learn about materials and their properties. They will conduct experiments to test properties of materials and consider the uses of them. They will also explore how to change the properties of materials.

Geography

This subject will be taught again next term.

PSHE

'Celebrating Difference.'
Pupils will learn about and challenge perceptions of 'normal' and consider how a feeling of being 'different' can impact a person's life. They will learn about reasons behind bullying.

DT

Our focus this term is textiles. Pupils will use a range of stitches to create a small bag.

RE

Pupils will consider the question why is pilgrimage important to faiths. They will understand the shared features of pilgrimage across several faiths before beginning to understand how the act of pilgrimage can change people.

Music

Pupils will unlock their vocal potential. They will sing in an ensemble and pay attention to pitch and phrasing. They will also sing songs in two or three parts.

PE

Pupils will be creating their own warm up activities for their lessons in Hockey and Tag Rugby. They will also develop and apply their stance and footwork in games and healthy competition.

Computing

Pupils will learn about Blogging. This unit allows children to explore blogs and their features, including how they can be used to engage an audience effectively. Children will plan and create their own blog post as well as comment on other's.

French

Developing and practising language learning strategies, developing reading, speaking and listening skills, responding to questions about footballers.
