Dear Parents/Carers,

This first term will focus learning around The Great Fire of London. Children will explore how the fire started, how it was put out and the overall risks of fire.

To extend your learning at home you could...

1. Create a 17th Century house – Make a 17th-century wooden house. You could use cereal boxes, lollipop sticks and tissue paper flames.

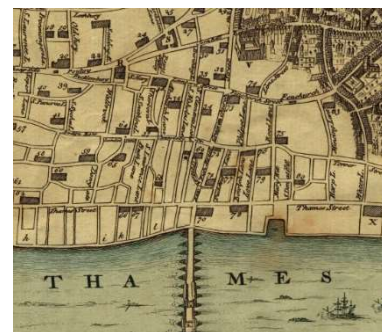

2. Create a collage – use a variety of materials to create a collaged picture of the London skyline. You could try using black card to make a silhouette of the different buildings.

3. Make a Warning poster – create a poster to inform others about the risks of fire and how to keep safe around fires.

4. Draw a Map– draw an old-style map of London. Include key locations such as Pudding Lane and St Paul's Cathedral. You could use tea or coffee to stain your maps to make them look very old.

Completed projects should be brought into school by **Friday 16th October**.

Many thanks for your continued support,

A. Thomas
