

Hear all about Hawks!

Home Learning

Homework books come out on a Wednesday per the children's request. Following a class discussion and vote, all homework books will come out on a Wednesday. Please arrange a time to speak to me if you have any questions about what your child must do.

You should also have received an email with the term's project information. If you have not, please let me know and I will ensure your child gets a copy.

Weekly dates

Our PE days are usually Tuesday and Wednesday therefore can all pupils please bring a PE kit into school on Monday in case lessons need to move.

For those pupils with earrings can you please teach your child to remove their own earrings to ensure they are always able to take part.

Book and Biscuit is on a Thursday; I look forward to seeing many of you at this this year.

Celebration Assembly is on a Friday so if your child has received an award please send it in so we can celebrate this with them.

Note from Miss Grunill

I am delighted to be teaching Hawks again this year and look forward to an exciting year ahead. I know that for many pupils Year 6 is a challenging year please do contact me about any concerns you or your child may have.

Reading

The school's expectation is that pupils will read every night. For those children who read 5 times and bring their reading record in they are entered into a prize draw to win a book.

We listen to every child read regularly and all pupils have a library book. Please ensure you are reading this book with your child.

Book Recommendation

Letters from the Upside by Katya Balen. This is a new author for me but I really enjoyed this book. It's about unusual friendships and forgiveness. Con, the main character, is a boy who lashes out at those around him but finds a way to begin to move past his anger when befriending a neighbour and his racing pigeons.

Hawk fact of the term.

Young hawks are called eyases.
