Friday 6th November, 2026

Dear Parents/Carers,

As part of our curriculum work, pupils have a project to complete by **Friday 11th December.** Pupils may choose one of the activities below that link to our curriculum or they may have their own creative ideas to try out!

If your child needs any help, then please do let me know; I will be happy to assist.

1. Mummification in Ancient Egypt was a fascinating concept. Can you create a poster that showed the process of mummification? Can you also explain why some individuals were considered special enough to be mummified?

2. In Science, we are learning about Electricity. Perhaps you could create a floorplan of your home and label where some of the most used electrical appliances are?

3. If Music is of interest to you, you may wish to carry out a research project on the glockenspiel. Can you find out when the glockenspiel was invented and who by? Perhaps you could research some music that includes this instrument too.

4. One of our British Values is Democracy. Can you find out how we use democracy in our country? Do you agree with this concept? If you were Prime Minister, what processes would you put in place?

5. In English, we will be reading Charlotte's Web. Many animals feature in this fantastic story. Can you find out what the characters are and create your own illustrations for each of them? Perhaps you could create a collage or a painting?

6. You may also have your own, creative way to show off your learning, feel free to use your own amazing ideas to show me what you know!

Yours sincerely,

R.Honeywood
