

Hawk's Autumn 1 Overview:

Class Daily Read: The Silver Sword by Ian Serraillier

Big Events: Peterborough Cathedral, Tower of London

English

Pupils will focus on writing a diary entry inspired by Our Castle By the Sea to begin the term focusing on conjunctions and cohesion. They will then write a formal letter inspired by Arctic Star focusing on formality and adverbs.

Maths

Pupils will learn about place value to order, compare, round and read numbers up to 10,000,000 and the four operations. Pupils will learn factors, multiples, prime, order of operations and should know times tables up to 12x12.

History

Pupils will learn about warfare's impact. They will learn about the impact of the Norman Conquest before looking at the impact of conflict on civilians during the War of the Roses, Newton Rebellion and Civil War.

Science

Pupils will explore light and build on previous learning to explore how light moves. They will conduct experiments investigating the movement of light and how this can be interrupted and changed.

Geography

Geography will be taught after Christmas.

PSHE

'Being me in my world.' Pupils will identify goals and express worries and fears for the future. They will also consider how to be allies against racism.

Art & DT

Photo Opportunity.
Pupils will develop photography skills and techniques to design a range of creative photographic outcomes.

RE

How and why do people make the world a better place?
Students will consider how different worldviews can improve the world and identify similarities between these.

Music

Shaping Music: My Best Friend.
Students will improvise confidently over a drone or groove. They will also compose a short ternary piece.

PE

Pupils will be working on the 'personal' focus from Real PE. They will also learn and develop multi-skills to be able to compete in different sports and games.

Computing

Networks
This unit allows children to learn more about what networks are, what they do and how they connect devices. They will also consider the safety aspects of networks.

French

Conjugating the verb 'aller' - to go, identifying correct prepositions, learning sports vocabulary and how to express preferences plus the infinitive.
