Autumn 2 Overview:

Class Daily Read:. The Tiger Who Came to Tea, Traction Man, Who's Afraid of the Big Bad Book? One Little Butterfly, The Cave, The Fleas Who Wouldn't Say Please?

Big Events: Pantomime and Christmas Performance

English

We will continue to focus on forming accurate handwriting, using capital letters at the start of sentences and for proper nouns. Additionally, we will ensure full stops are used accurately.

Maths

We will focus on addition and subtraction. Looking at addition and subtraction within 10, fact families and part whole models. In Geometry, we will explore 2D and 3D shapes.

History

This subject will be taught next term.

Science

In Science, we will focus on the biology of trees. We will explore garden plants; trees found at school and in the local area. We will also observe seasonal changes.

Geography

In Geography, we will be exploring the four UK countries, including capital cities. We will also learn about compass points.

PSHE

In our PSHE lessons we will be learning about what makes us unique and celebrating those differences.

DT

This subject will be taught next term.

RE

Our key question this half term is: **Why does Christmas matter to Christians?** We will find out about how Christmas is celebrated today, considering which traditions are secular and which are religious.

Music

In Music, we will be listening to and singing 'Rhythm in the way we walk' and 'Banana rap' well as learning to sing we will also play, improvise and compose with this song.

PE

In PE we will be playing invasion games. Focussing on team games and group activities.

Computing

We will be using Purple Mash to experiment with creative computing. We will explore how to design and create digital art.

Art

We will be learning about primary and secondary colours as well as colour mixing techniques before applying these skills in painting and printing.
