

Welcome back, Kestrel Class

Welcome back everyone!

I hope you all had a lovely summer break. It has been wonderful to welcome the children back and see them settling into their new routines so well.

We have lots of exciting learning planned across the term. Including a trip to the Tower of London, Northamptonshire Justice Museum and a residential for Year 4.

In Autumn 1, the children will explore forces in Science, investigate crime and punishment in History and consider what kind of world Jesus wanted in RE.

In Autumn 2, we will continue our work on crime and punishment, study light in Science and explore the impact of Pentecost in RE.

Our class texts this term are Holes by Louis Sachar in Autumn 1 and Oliver Twist by Charles Dickens in Autumn 2. These will support our reading and writing lessons.

In Maths, pupils will develop their understanding of place value and Roman numerals before applying all

four operations to everyday problems. They will also learn about length, perimeter and area.

Please hear your child read regularly at home and ensure books are brought into school every day.

Reading books are usually changed on Tuesdays and Thursdays and children are welcome to read books from home too. Please remember to sign and date their reading record.

We are looking forward to a busy and enjoyable Autumn term ahead!

Book and Biscuit is held every Friday morning from 8.45am-8.55am when you can spend time reading with your child in the classroom. Siblings are welcome too so pop along and enjoy a biscuit.

P.E. days are Wednesday and Friday. Please make sure that your child has a fully labelled PE kit in school. We also ask that earrings are removed on these days.

Library books are changed every Friday. Please ensure your child brings their library book to school so that it can be changed.

If you have any questions or queries, please feel free to come and see me at the end of the school day.

Kind regards,

Mrs Marlow

Kestels Class Teacher
