Friday 11th September 2026

Dear Parents/Carers,

As part of our curriculum work, pupils have a project to complete by **Friday 16th October**. Pupils may choose one of the questions to work on based on our work from RE, Art or History; alternatively, they may choose to do their homework based on one of our British Values.

If your child needs any help, then please do let me know; I will be happy to assist.

1. Leadership in the Ancient Egyptians was often defined by the type of headdress that someone would wear. Can you find out what headdresses were worn by the Egyptians and can you design your own for an Egyptian who would have high status/power?
2. In Science, we are learning about teeth and digestion. Can you research the type of teeth that your favourite animal has? You might like to sketch and label them and even find out more about their diet!
3. You could also design a meal plan that would be suitable for sustaining good oral health and digestion. Think about what the body needs to stay fit and healthy, and which food groups might help you to digest food most successfully.
4. One of our British Values is Mutual Respect. Design a poster or spider diagram that explains all the ways you show mutual respect to all both in and out of school.
5. In English, we have been reading The Lion, The Witch and The Wardrobe. Perhaps you might enjoy designing an alternative version to Narnia; where might the wardrobe lead you? What might the environment be like? Who will be there waiting for you? Will anyone join you? Use pictures and words to share your creative ideas.
6. You may also have your own, creative way to show off your learning, feel free to use your own amazing ideas to show me what you know!

Yours sincerely,

R.Honeywood
