Friday 11th September, 2026

Dear Parents/Carers,

As part of our curriculum work, pupils have a project to complete by Friday 16th October. Pupils may choose one of the questions to work on based on our work from History. Alternatively, they may choose to do their homework based on one of our British Values.

If your child needs any help, then please speak to Mrs Sexton or Mrs Elmore who will be able to suggest websites or books in our school library.

1. Find a picture of an old Barbie and a new Barbie. Draw or print the two pictures. Can you spot three things that are different?
2. Ask a parent, grandparent or older family member about a toy they played with when they were young. Draw their toy and draw one of your favourite toys. What is the same and what is different?
3. Find a picture of an old-fashioned toy shop and compare it with a toy shop today. Can you draw the two shops and label some of the differences you notice or could you even make a model?
4. Choose a famous toy company, such as LEGO, Fisher-Price or Mattel. Find out when it began and choose one toy it makes. Draw the toy and write 2–3 interesting facts about the company.
5. Become a Democracy Detective and hold a vote at home!
Give everyone two or three choices. Make a simple ballot paper and ask each person to vote for their favourite. Count the votes and find the winner.

Bring something to school to show what you did. You could bring your ballot paper,

Yours sincerely,

R. Sexton J. Elmore
